SCOPE OF WORK

To supply all labour, materials, supervision and equipment for the construction of this prestigious new academic space. Construction included all formworks, building, tiling and painting and installation of all new services.

TECHNICAL DATA

KEY PROJECT OUTCOMES

Adding to the current building and brand new academic space with a specific architectural design that compliments the department and the site, while completely functional.

KEY PERFORMANCE AREAS

- Steel work and all concrete formwork.
- Construction elements were left exposed to add to beautiful architectural design.
- High end finishes.
- Complete upgrade and refurbishment.

PROJECT CHALLENGES

- Managing limited time.
- Correlating the architectural designs within the budget.
- Detailed health and safety procedures to ensure site can stay fully functional and operational during project.
