TECHNICAL DATA

KEY PROJECT OUTCOMES

Upgrading 70 bathrooms for staff & clientele. Refurbishing the current architectural style to a more modern style, remedials and upgrades to existing services.

KEY PERFORMANCE AREAS

- The quality of the project speaks of the performance areas of this team.
- High-end modern design.

PROJECT CHALLENGES

- This winter project brought forth a lot of concrete challenges, the walls dried with difficulty.
- High security premises which constricted access to builders.
- The weather also contributed to limited time wherein to complete the project.
