PROJECT VALUE | R1 112 927, 19

YEAR | 2017

CATEGORY | REFURBISHMENT

ARCHITECT | INCLINE ARCHITECTS

QS | LIMCO QS

## SCOPE OF WORK

Upgrading & reconstruction & cleaning of swimming pool locker rooms.

This included demolition and stripping of existing services, building of new facilities including brick work and waterproofing, plumbing, tiling and floor finishes, ceilings, carpentry & joinery and paint. The original design did not provide adequate ventilation causing severe damage to the building. Rethinking of design.
